Workshop Description	Please Indicate 1 <sup>st</sup> & 2 <sup>nd</sup> Choice	Date and Time Lunch Provided	
<b>SMART Board Training FSL Users</b> - Presenter: Marian Parent The focus of this workshop is to provide an overview of how to use a SMART Board as a teaching tool for FSL teachers with little or no SMART Board experience.		Morning Friday, April 9	<b>Registration Deadline Wednesday March 24</b>
		Afternoon Friday, April 9	
<b>SMART Board Training New Users</b> - Presenter: Holly Powell The focus of this workshop is to provide an overview of how to use a SMART Board as a teaching tool for teachers with little or no SMART Board experience. Participants will discover how to use the equipment as well as the software tools that are part of Notebook Software. Examples of practical applications for the classroom as well as helpful links to resources will be provided.		Morning Friday, April 9	
		Afternoon Friday, April 9	
<b>Make and Take Session with a Literacy and Numeracy Focus for JK / SK Teachers</b> - Presenter: Lora Neal Bring your ideas and creative energy to a self-directed session where participants create literacy and numeracy activities, games and centres to engage your students. Make samples of activities and teaching tools for your centres that can be taken back and used right away. Participants are asked to bring a sample of one tried-and-true activity to share with colleagues.		Afternoon Friday, April 9	
<b>"Hot Stuff and Other Things for your School Library"</b> Presenter: Marlene Turkington This workshop will be of interest to both new and experienced Teacher-Librarians. It will include: Hot off the Press; Hot News; Hot Stuff; Hot Ideas and tips; Hot Links and a Hot new resource that each participant will receive for attending the workshop.		Afternoon Friday, April 9	
<b>SMART Board Training New Users</b> - Presenter: Holly Powell The focus of this workshop is to provide an overview of how to use a SMART Board as a teaching tool for teachers with little or no SMART Board experience. Participants will discover how to use the equipment as well as the software tools that are part of Notebook Software. Examples of practical applications for the classroom as well as helpful links to resources will be provided.		Morning Friday, April 16	<b>Registration Deadline Wednesday March 24</b>
		Afternoon Friday, April 16	
<b>SMART Board Training Experienced Users</b> - Presenter: Carleen Grant <b>Simple Ways to Add Interactivity Into Your SMART Board Lessons</b> Come and learn, in a hands-on lab situation, simple ways to keep your students engaged through interactive activities built into your lessons. A take-away idea will be given to each participant to be used with the other students in the classroom who are not at the SMART Board.		Morning Friday, April 16	
		Afternoon Friday, April 16	
<b>Junior - Intermediate Visual Arts, Drawing Fundamentals</b> Presenter: Polly Stringle This hands-on workshop will focus on teaching the fundamentals of drawing at the junior and intermediate levels. Participants will come away with concrete strategies and techniques while creating exemplars they can use in their classroom delivery of the new visual arts curriculum. A stations approach will allow teachers to gain a variety of new and traditional approaches to teaching drawing.		Afternoon Friday, April 16

<b>SMART Board Training New Users</b> - Presenter: Hilary Paterson The focus of this workshop is to provide an overview of how to use a SMART Board as a teaching tool for teachers with little or no SMART Board experience. Participants will discover how to use the equipment as well as the software tools that are part of Notebook Software. Examples of practical applications for the classroom as well as helpful links to resources will be provided.		Morning Friday, April 30	<b>Registration Deadline Wednesday April 14</b>
		Afternoon Friday, April 30	
<b>SMART Board Training Experienced Users</b> - Presenter: Carleen Grant <b>Simple Ways to Add Interactivity Into Your SMART Board Lessons</b> Come and learn, in a hands-on lab situation, simple ways to keep your students engaged through interactive activities built into your lessons. A take-away idea will be given to each participant to be used with the other students in the classroom who are not at the SMART Board.		Morning Friday, April 30	
		Afternoon Friday, April 30	
<b>Primary Visual Arts</b> - Presenter: Gidget Davidson Participants will have hands-on opportunities to apply the creative process in art. Teachers will learn about the fundamental concepts in the primary grades, as well as how to develop lessons to help achieve the visual arts curriculum expectations.		Afternoon Friday, April 30	
<b>Critical Media Literacy (Primary)</b> - Presenter: Lindsey Milligan Are you looking for a way to engage your students and get them thinking? Critical Media Literacy may be the workshop for you. The students we are teaching are "plugged in," and we need to find a way to help them navigate the world of media with a critical eye. This session will help you begin to explore critical media literacy in your Primary classroom, while providing you with engaging and motivating activities for your students.		Afternoon Friday, April 30	
<b>SMART Board Training New Users</b> - Presenter: Hilary Paterson The focus of this workshop is to provide an overview of how to use a SMART Board as a teaching tool for teachers with little or no SMART Board experience. Participants will discover how to use the equipment as well as the software tools that are part of Notebook Software. Examples of practical applications for the classroom as well as helpful links to resources will be provided.		Morning Friday, May 7	<b>Registration Deadline Wednesday April 21</b>
		Afternoon Friday, May 7	
<b>SMART Board Training Experienced Users</b> - Presenter: Barb Balint <b>Beyond the Basics</b> This workshop will introduce participants to uses of the Teacher Tool Box, set up and use of Senteo clickers and using the SMART Board for assessment.		Morning Friday, May 7	
		Afternoon Friday, May 7	
<b>Roots of Equality</b> This workshop introduces members to the Roots of Equality resource, designed to help foster students' healthy, equal relationships, and raise awareness of violence against women. Lesson plans for grades 1 - 8 (themes: Family, Friends, School, Community Connections, Media) are linked to Ontario's Curriculum.		Afternoon Friday, May 7	
<b>Critical Media Literacy - Junior</b> - Presenter: Lindsey Milligan Are you looking for a way to engage your students and get them thinking? Critical Media Literacy may be the workshop for you. The students we are teaching are "plugged in", and we need to find a way to help them navigate the world of media with a critical eye. This session will help you begin to explore critical media literacy in your Junior classroom, while providing you with engaging and motivating activities for your students.		Afternoon Friday, May 7
