ETFO
Thames Valley Teacher Local

Your Voice. Your Local. Your Region. We're Coming to You!

ETFO Thames Valley Teacher Local is hitting the road, and we want to see YOU!

Join your Local Released Officers for an hour after work of snacks, refreshments, giveaways, prize draws, great conversations, and a chance to connect with colleagues from across your region!

With so much occuring in education, bargaining, and our classrooms, we want to share what's happening, hear what's on your mind, and talk about how we can continue moving forward together.

Just 75 minutes! Come for a bit, stay for the whole thing - whatever works for you! No long speeches. No formal meeting. Just real conversations, good company, and a chance to have your voice heard!

Remember, YOU are the Union! Your voice, your experiences, and your involvement are what make our Local strong. The more we connect, the stronger we become.
