ETFO Thames Valley Teacher Members,

As Family Day approaches, we hope that you are able to spend the Family Day weekend with those who are special to you, enjoying some well-deserved time to rest, recharge, and reconnect. As you gather with family and friends, please remember to take your petitions along and collect signatures. The weekend provides a meaningful opportunity to have important conversations about the value of publicly funded education, the ongoing underfunding by the Ford government, and to share the incredible work that you do each and every day in spite of these challenges. Each day, you make a difference in the lives of the students you teach. It is so important to share the incredible work you do!

Every signature strengthens our collective voice, and every conversation helps build awareness and support. We are deeply grateful for your continued advocacy and commitment. You truly make a difference.

Enjoy the Family Day weekend.

Sincerely,

Mike Thomas, President
