

# CALL FOR PRESENTERS

## Support ETFO Thames Valley Teacher Local Members

Got a lesson or learning idea that works really well? The kind colleagues ask you for? We are providing you with the opportunity to share it.

We are organizing presenters now for professional learning sessions running in 2026–2027, and we are looking for members ready to lead engaging workshops during the day with release time provided.

From hands-on science to creative literacy/math, AI in special education, Kindergarten, library, French, drama, inquiry, assessment, or anything that brings learning to life: if it works, we want to give you an opportunity to showcase this teaching magic!

### This is your chance to:

- Share your passion for learning
- Spark new ideas in our classrooms
- Connect with colleagues across the Local

Great teaching is meant to be shared and it strengthens our profession.

### Interested? Let Us Know!
