Regarding: **International Women's Day**

Dear Members,

As we mark International Women's Day, we take a moment to recognize and celebrate the extraordinary contributions of women educators in our schools and communities. Every day, women teachers lead classrooms, support students through challenges, advocate for equity, and shape the future through public education.

Your professionalism, compassion, and leadership have a profound impact on the lives of students and colleagues alike. Today is an opportunity to acknowledge that work, reflect on the progress that has been made toward gender equity, and recommit to the ongoing work of building workplaces and communities where all can thrive.

Thank you for the care, strength, and dedication you bring to the profession and to public education each day.

In solidarity,

Mike Thomas
