

# BIG LEARNING in Kindergarten

**October 8 & 9, 2026**

9:30 a.m.–3:30 p.m. (EDT)  
ETFO Provincial Office

This year's curriculum conference highlights evidence-based practices and effective instruction for the implementation of the 2026 Kindergarten curriculum.

Members will engage in dynamic workshops that include intersectional feminism, women's issues, and/or women's contributions to child development as they connect to the following topics:

- Building and enriching partnerships in Kindergarten
- Language and literacy
- Science, Coding and Mathematics
- Special education needs in the regular classroom

Register by **September 8**  
at 9:00 a.m. at  
**events.etfo.org.**

A \$50 registration fee applies.

Spaces are limited.

Preference will be given to members in their first five years and those who have not previously attended an ETFO program.

Successful applicants will be notified by email by **September 15, 2026.**

Expenses will be paid per ETFO provincial guidelines for release time, travel, dependent care, meals, and single accommodation.
