**SUBJECT: Supervision Schedules**

**DATE: June 16, 2026**

---

In collaboration with ETFO, it has been agreed that for the current school year that the deadline for providing a draft duty supervision schedule to teachers has been extended to August 31, 2026 at the latest. This is in recognition of the complexities of creating supervision schedules resulting from the transition to two- 40 minute nutrition breaks in all elementary schools for September 2026. We appreciate that the supervision schedules will continue to be revised as staffing is finalized over the summer and even into September with potential fall reorganization.
